

# B.Com Hons.

*facilitating*  
Superior Human Beings

# B.Com

**Hons.** Definitely we can achieve business growth if the concerned people are equipped with sound understanding of the versatile areas of Business and Commerce. B

Com (Honors) is a set of comprehensive courses which are designed to meet the requirement of expanding business horizons. This honors program has a broad range of course work, emphasizing and developing critical skills in the students and providing students with real work and work place experience. Modern computing, critical thinking, problem solving, technical business correspondence, e-business, management techniques, research methods and statistical analysis are the main components of the curriculum. The vivid success of this department is that the students in this program have ample opportunities of jobs even during their studies.

## *Superior Split Degree*

**T**o meet the rapidly changing academic challenges, Superior University is exploring new horizons by joining hands with top universities around the globe and proudly offers split degree programmes at undergraduate, post graduate and Ph.D levels with an intention to give access to students for progression to international education.

### Benefits

Guaranteed Better Academic Performance

When you enroll for the Split Degree Programmes you will need to spend half the duration of your degree at Superior and the other half at one of our collaborative partner universities, so ideally your academic standard will be better compared to normal overseas students.

### Time & Cost Effectiveness:

Half the fee, half the duration compared to the normal international degree programmes.

### Visa Processing Facility:

The Foreign Student Support Desk will facilitate you in processing your visa to any respective country.
