Leading the Modern Quality  
Movement in Pakistan

**MS Industrial Management** : Industry is the crux of technological era, where a targeted vision and a practical mindset is what is expected out of an industrial management and particularly from somewhat outmoded term of “General Managers”. Besides planning, organizing, leading and coordinating resources, Industrial Management Programme is world wide opted to add the required potentials to simple management skills. MS/M. Phil in Industrial Management at Superior University gives you that potential boost that makes you a valuable asset for any Industrial Management.

## *Superior Split Degree*

**T**o meet the rapidly changing academic challenges, Superior University is exploring new horizons by joining hands with top universities around the globe and proudly offers split degree programmes at undergraduate, post graduate and Ph.D levels with an intention to give access to students for progression to international education.

### **Benefits**

Guaranteed Better Academic Performance

When you enroll for the Split Degree Programmes you will need to spend half the duration of your degree at Superior and the other half at one of our collaborative partner universities, so ideally your academic standard will be better compared to normal overseas students.

### **Time & Cost Effectiveness:**

Half the fee, half the duration compared to the normal international degree programmes.

### **Visa Processing Facility:**

The Foreign Student Support Desk will facilitate you in processing your visa to any respective country.
