# Masters in Public Administration & Policy Studies : In developing countries like Pakistan lot of emphasis is needed on public administration and making policy.

The degree highlights those principles which can develop professionals to be masters in the art of public administration. The policy making and practical exposure of different departments and people will create a profile which will produce long lasting results. This program will give a new dimension to policy making and will make the graduates good public servants and the true representatives of the masses.

## *Superior Split Degree*

**T**o meet the rapidly changing academic challenges, Superior University is exploring new horizons by joining hands with top universities around the globe and proudly offers split degree programmes at undergraduate, post graduate and Ph.D levels with an intention to give access to students for progression to international education.

### Benefits

Guaranteed Better Academic Performance

When you enroll for the Split Degree Programmes you will need to spend half the duration of your degree at Superior and the other half at one of our collaborative partner universities, so ideally your academic standard will be better compared to normal overseas students.

### Time & Cost Effectiveness:

Half the fee, half the duration compared to the normal international degree programmes.

### Visa Processing Facility:

The Foreign Student Support Desk will facilitate you in processing your visa to any respective country.
