PIQC
Leading the Modern Quality Movement in Pakistan

MS Quality Management : In this cut throat business world only those organizations would survive which ensure quality oriented goods and services. The quality conscious enterprises not only retain their client-age but also expand their set up besides winning a number of more customers. Successful Organizations know that quality products or services win them long term business reputé and image at local and global level. Focussing on this demand Superior University has offered MS/ M Phil in Quality Management in collaboration with PIQC. This extensive degree comprising of 33 credit hours, is purely based on research, six sigma, Metrology and Testing.

Superior Split Degree

To meet the rapidly changing academic challenges, Superior University is exploring new horizons by joining hands with top universities around the globe and proudly offers split degree programmes at undergraduate, post graduate and Ph.D levels with an intention to give access to students for progression to international education.

Benefits

Guaranteed Better Academic Performance

When you enroll for the Split Degree Programmes you will need to spend half the duration of your degree at Superior and the other half at one of our collaborative partner universities, so ideally your academic standard will be better compared to normal overseas students.

Time & Cost Effectiveness:

Half the fee, half the duration compared to the normal international degree programmes.

Visa Processing Facility:

The Foreign Student Support Desk will facilitate you in processing your visa to any respective country.
