Dear,
Assalam-O-Alaikum,

Science is inevitable for providing comforts in man's life and for its progress. It is a clear day reality that in the current scenario efficient and able doctors and engineers must be prepared for the best service of the nation and country. It is impossible to find Pakistan in the list of advanced countries without a considerable increase in the number of doctors, engineers and scientists.

Keeping in view the demands and needs of the age, Superior Group of Colleges has decided to celebrate the Year 2010 as "The Year of Science" under the vigilant supervision of:

Prof. Dr. Zafer Iqbal	(Ex-Registrar University of Health Sciences)
Prof. Dr. Bashir Sadiq	(Ex-Chairman Math Deptt. University of Engineering and Technology, Lahore)
Prof. Dr. Ch Abdul Rehman	(CEO Superior Group of Colleges and Rector Superior University Lahore)

The important steps which have been envisaged under their guidance are:

- Addition of subject specialists and experienced professors in Superior Faculty.
- Revised methodology of teaching the syllabus for the best results
- Special classes of F. Sc. Plus
- Elite sections for competent and intelligent students
- Effective and Result oriented Test System under the supervision of experienced examiners.
- Preparation for MCAT and ECAT (Entry Tests)
- Arrangement of Seminars and Conferences to develop scientific interest in students
- Special visits of famous Scientists and Science Exhibitions
- Attractive scholarships for the best science students
- Continuous and effective linkage between the triangle of Parents, Teachers and Students
- Commencement of Superior College of Engineering and Technology by the approval of Pakistan Engineering Council
- Commencement of Pharmacy Department (Pharm-D) in Superior University

May Allah give us the courage to materialize our aims (ameen)
