3U1M[®]

3 Years in University and 1 year in Market

3U1M is our unique and distinctive framework which is focused on enabling and empowering the youth to create social and economic impact. This research-informed experiential learning program has been designed to ensure student success by teaching not only theories but their practical implications to equip our students with the skills of 21st-century graduates. This employability ensured program is a milestone in our mission for developing an economically Superior Pakistan.

Year 2 - Exploration PBL 2

In year 2 students explore the emerging concepts of the relevant industry and gain experiential learning through Project based learning Level 2.

Freshman Program

A rigorous on-boarding program for a smooth transition to university education through IQ & EQ Accelerators preparing students for entering university life.

1M-Market Intensive Year

For the final Market Intensive Year "1M" (one year in the market), we have designed four indigenous career streams i.e., Design Challenge, Startup, Scaleup & Superior Go Global so our students may choose any track according to their aptitude.

Career Pathways

Startup: to become a successful entrepreneur by getting incubated at our **Innovation District 92 (ID-92)**

Scaleup: to uplift your family business by getting trained at our accelerator "ScaleupPk"

Design Challenge: to become a valuable resource for corporate world by solving a real-time industry problem following **Design Thinking** approach

Superior Go Global: to prepare you to explore career and immigration opportunities through our 'Go Global Stream'

Year 3 - Innovation & Entrepreneurship | PBL 3

Third year is of innovation and entrepreneurship, students will experience the social entrepreneurship through social action projects under Social Entrepreneurship Program (SEP) and entrepreneurial exposition of new ideas aspired by Entrepreneurship Teaching and Training Program (ETTP) which gets showcased on Superior Entrepreneurial Expo.

Year 1 - Foundation | PBL 1

In year 1 Student understands the basics of the field through customized competency based curriculum and application through Project Based Learning level 1.

BS

Dental Hygiene

The Dental Hygiene program at Superior lays a solid clinical foundation for the student to solve complex problems in a traditional private practice setting under the guidance of a highly competent faculty that is dedicated to professional development and community service. The comprehensively designed curriculum offers the students more career flexibility with vast career opportunities in the field of research, teaching, and more in a rapidly diversifying health care market.
