3U1M®

3 Years in University and 1 year in Market

3U1M is our unique and distinctive framework which is focused on enabling and empowering the youth to create social and economic impact. This research-informed experiential learning program has been designed to ensure student success by teaching not only theories but their practical implications to equip our students with the skills of 21st-century graduates. This employability ensured program is a milestone in our mission for developing an economically Superior Pakistan.

1M-Market Intensive Year

For the final Market Intensive Year "1M" (one year in the market), we have designed four indigenous career streams i.e., Design Challenge, Startup, Scaleup & Superior Go Global so our students may choose any track according to their aptitude,

Career Pathways

Startup: to become a successful entrepreneur by getting incubated at our Innovation District 92 (ID-92)

Scaleup: to uplift your family business by getting trained at our accelerator "ScaleupPk"

Design Challenge: to become a valuable resource for corporate world by solving a real-time industry problem following Design Thinking approach

Superior Go Global: to prepare you to explore career and immigration opportunities through our **'Go Global Stream'**
